Museum Dan Tanah Liat

Roepa
Nalar

Sejarah dan Masa Depan

80 tahun adalah sejarah yang memampukan seorang warga di Republik ini menjadi seorang manusia di atas rata-rata. Apalagi jika warga itu adalah warga seni rupa yang tidak biasa. Seorang pecinta seni rupa atau kolektor dengan sebuah museum yang menyimpan ribuan karya seni rupa (wan) Indonesia lintas zaman—from zaman Hindia-Belanda sampai zaman Pasca Reformasi.

Kecintaan semacam itu bukan hanya mengesankan, melainkan juga mengagumkan di sebuah republik yang hampir-hampir tak mengacuhkan seni rupa, kecuali sebagai sekadar aktivitas waktu-senggang orang-orang berkantong tebal.

Dengan begitu, mengoleksi karya seni rupa adalah sebuah ikhtiar sejarah untuk merawat dan mengabadikan daya cipta tak tepermanai warga negara bernama perupa di atas harga, citra, dan makna—bukan guna senang-senang belaka.

Ikhtiar itulah, pada hemat saya, yang memungkinkan kita untuk tak berkeluh-kesah tentang sejarah seni rupa kontemporer—alih-alih harapan kita akan masa depan seni rupa Indonesia. Sebab, kita tahu, sampai pada umurnya yang kedelapan puluh, dr Oei Hong Djien, OHD, atau Pak Dokter merefleksikan ikhtiar itu dengan sangat bagus sejarah itu lewat OHD Museum.

Maka, bolehlah kita percaya bahwa sejarah akan terus tumbuh di OHD Museum sebagai sebuah pencapaian untuk penghidupan yang lebih baik dan berkualitas, kalau bukan kesempurnaan di masa depan, bagi penghayat seni rupa Indonesia.

Atas kepercayaan itu, kami—Museum dan Tanah Liat (MDTL), Sicincin Indonesia Contemporary Art (SICA) dan Nalarroepa—menggelar pameran “Delapan Puluh nan Ampuh” ini. Dengan ini pula momen historis dr Oei Hong Djien, OHD, atau Pak Dokter yang kedelapan puluh memampukan kami menghablurkannya menjadi momen estetis dari lima belas karya seni rupa (wan) berukuran rata-rata 80 x 100 sentimeter ini:

Afdhal, Andy Miswandi, Anwar Musadad, Bayu Yuliansyah, Dona Prawita Arissuta, Indra Dodi, Ismanto Wahyudi, Iqro Ahmad Ibrahim, Justian Jafin W, Khairul El Kamal, Nugroho Wijayatmo, Purnomo Clay, Roeyyah Diana, Ronal Efendi, dan Suryadi.

Demikianlah—80 adalah sejarah, 100 adalah doa untuk masa depan.

Yogyakarta, 26 April 2019
Atas Nama MDTL dan SICA

WAHYUDIN,
Kurator Pameran
